

# Claim Issues Saved

[REDACTED]  
Request for Decision Review  
Request: Supplemental Claim — VA  
Form 20-0995 has been submitted.

If needed, you may correct the  
issues.

**Edit the notice letter to reflect the  
status of requested issues.**

**A Supplemental Claim Rating EP is being  
established:**

Contention: Service connection for autonomic  
dysreflexia is denied.

**A EP is being canceled:**

Contention: Entitlement to compensation under  
38 U.S.C. 1151 for liver transplant is denied.

Contention: Entitlement to compensation under 38 U.S.C. 1151 for Hepatitis C is denied.

### **Ineligible**

Entitlement to compensation under 38 U.S.C. 1151 for liver transplant is denied. is ineligible because the same issue is under review as a Legacy Appeal but the claimant didn't choose to withdraw their issue from the legacy system.

Entitlement to compensation under 38 U.S.C. 1151 for Hepatitis C is denied. is ineligible because the same issue is under review as a Legacy Appeal but the claimant didn't choose to withdraw their issue from the legacy system.

Entitlement to compensation under 38 U.S.C. 1151 for diabetes, steroid induced is denied. is ineligible because the same issue is under review as a Legacy Appeal but the claimant didn't choose to withdraw their issue from the legacy system.
