Dear Mr. 

We are working on your claim.

Important Information

- We received your allegation of a clear and unmistakable error (CUE) with our decision dated 04/25/2022 and 06/07/2022. For VA to consider your request for revision based on CUE, you must specify the factual or legal error you believe VA made in our prior decision. We will take no further action on your request until we receive this information.
- On VA Form 20 - 0995 received on 06/09/2022, there is no specific condition(s) listed for which there is a CUE. Please provide us with this information within 30 days.

What is VA.gov?

VA.gov provides electronic resources in a self-service environment to Servicemembers, Veterans, and their families. Use of these resources often helps us serve you faster! Through the VA.gov website you can:

- Submit claims for benefits and/or upload documents directly to the VA
- Request to add or change your dependents
- Update your contact and direct deposit information and view payment history
- Track the status of your claim or appeal
- Obtain verification of military service, civil service preference, or VA benefits
- And much more!

Enrolling in VA.gov is easy. Just visit www.va.gov for more information. If you submit a claim in the future, consider filing through VA.gov. Filing electronically, especially if you participate in our fully developed claim program, may result in a faster decision than if you submit your claim through the mail.
