Veteran Affairs

## MEMORANDUM

[REDACTED]

FROM: Office of Automated Benefits Delivery

TO: VBMS eFolder

SUBJECT: Toxic Exposure – Sec. 1119 Covered Veteran

**The Department of Defense (DoD) has provided VA with authoritative data that verifies the Veteran named below had military service that constitutes presumptive toxic exposure per 38 U.S.C. §1119.**

**Note:** The information below was provided by DoD via the VA/DoD Identity Repository (VADIR). Information received from VADIR should be considered the equivalent of information from the Veteran's official military personnel file and is acceptable for verification of service information for VA purposes.

The information below is not intended to represent an exhaustive listing of the Veteran's §1119 qualifying service. The information is provided solely to establish the fact that the Veteran has at least one qualifying deployment that satisfies the criteria for presumptive toxic exposure per 38 U.S.C §1119.

**Veteran Name:** [REDACTED]  
**File Number:** [REDACTED]

### **§1119 Qualifying Deployment Information:**

DoD deployment records show that the Veteran named above served in:

Iraq from [REDACTED] 2008, through [REDACTED], 2008  
Iraq from [REDACTED] 2009, [REDACTED] 2009

DoD military pay records show that the Veteran received fire pay, imminent danger pay, and/or or hazardous duty pay for service in:

Iraq from [REDACTED] through [REDACTED] 2010

- PLEASE CONTINUE TO NEXT PAGE -

**§1119 Qualifying Deployment Information (continued):**

DoD medals and awards records show that the Veteran was awarded the following decoration(s):

The Iraq Campaign Medal on [REDACTED] 2009

The Afghanistan Campaign Medal on [REDACTED] 2010
